Onsite Sign-in

There will be onsite sign-in for the course on Thursday morning from 7:00 AM to 8:00 AM at the Treasure Mountain Inn conference room. You will receive your printed textbook and schedule when you sign in. Sign-in is required so that we have an accurate record of your attendance for CME credits.

Course Description

“Learn the skills to prevent medical problems, reduce suffering and save lives in non-traditional medical settings”

- Earn your Advanced Wilderness Life Support certification
- Learn the latest practical hands-on wilderness medicine skills for patient assessment, treatment and evacuation protocols
- Practice your skills in live scenarios with our expert instructors
- Obtain up to 19.5 hours of category 1 CME*
- Receive Wilderness Medical Society Fellowship credits

COURSE OBJECTIVES

To provide a practical foundation in Wilderness Medicine for medical professionals

To teach patient assessment and treatment guidelines for life support until definitive care or evacuation is available

To train the provider in methods for managing medical and traumatic emergencies and urgencies in the wilderness when evacuation is unavailable or unnecessary.

To teach techniques and guidelines for evacuation.

TOPICS INCLUDE

Patient assessment	Wound management
Trauma	Water treatment
Medical problems	Hyperthermia, hypothermia, frostbite
Infectious disease	Medical kits
Head, Ear, Eye, Nose, Throat, Skin	Lightning
Animal & insect bites	HAPE/HACE
Musculoskeletal injuries	

OPTIONAL WILDERNESS SCENARIOS

There will be an additional 4 hours of wilderness scenarios with live victims on Saturday afternoon after the completion of the AWLS certification course. The cost to participate is \$100. This activity is approved for an additional 2 CME credits.

*The Wilderness Medical Society designates this educational activity for a maximum of 19.5 AMA PRA *Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through joint sponsorship of the Wilderness Medical Society and AdventureMed. The Wilderness Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

NOTE: Listed faculty may not lecture at every conference. A final schedule will be provided prior to each AWLS course

Course Materials

Your course registration will be confirmed via email, at which time, you will receive a password with which to download a digital version of the AWLS textbook. If you wish to receive a printed version of the textbook at the course, please notify us via email. If not you will help us save a tree! All other course materials will be provided to you when you sign in at the course.

Park City, UT

This historic mining town is now world-renowned for skiing and snowboarding. Three major ski areas and the Utah Olympic Parks surround us while the stunningly beautiful Wasatch Mountains provide a backdrop for an array of summer activities as well. Enjoy hiking, mountain biking, rock climbing, horseback riding and fly-fishing all within a short distance from town, or dine at the dozens of acclaimed restaurants, visit the galleries and boutique shops.

For additional information regarding local attractions please visit www.parkcity.com

Lodging

Treasure Mountain Inn is located at the top of Main Street in Park City and is within a short distance of hiking and biking trails and is in the heart of historic downtown Park City. If you would like to communicate with other registrants regarding sharing housing, please visit and post to our AWLS Facebook page at www.facebook.com/pages/AWLS-Advanced-Wilderness-Life-Support/180716034310

The link for the Treasure Mountain Inn is

<http://clients.innroad.com/treasure/property.aspx>

Or the attendee code is **13858** if they go to our website and click 'book online', then click 'groups'.

For additional lodging options visit www.parkcityinfo.com

Transportation

Salt Lake City International Airport is the closest airport and is approximately 30 miles from Park City.

Rental Cars

All major rental car agencies are located at the Salt Lake International Airport.

Taxis

There are three main taxi companies in Salt Lake City, and each offers 24-hour service: City Cab; Yellow Cab and Ute Cab. You can call for service or hail them in the street, but they are not as plentiful as other major cities. Some downtown hotels like the Salt Lake Hilton have taxi stands.

Airport Shuttles

For Over 15 years XPRESS Shuttle of Salt Lake City has provided door-to-door airport shuttle service to the Wasatch Front, including all ski areas. With over 40 vehicles in our fleet we are confident we can provide you with the best service available.

Hail Harry Luxury SUV Shuttle Services is a full service shuttle company serving the Salt Lake City International Airport, the Entire Salt Lake Valley & the resort town of Park City with luxury Chevy Suburban LT's. This Salt Lake Luxury SUV Shuttle Service "Hail Harry" provides the finest, most reliable transportation throughout Utah, up to Park City and the ski resorts of Salt Lake City. Rugged, seven passenger, 4-wheel drive Suburbans provide safe, comfortable transportation through the majestic Wasatch Mountains.

If you would like to communicate with other registrants regarding sharing transportation please visit and post to our AWLS Facebook page at www.facebook.com/pages/AWLS-Advanced-Wilderness-Life-Support/180716034310

Clothing and Other Equipment

The weather in the Park City area is pleasant in the summertime with daytime highs in the low 70s and overnight lows in the 30s. The course will be held rain or shine, so participants should bring raingear for unexpected precipitation. Hats and sunscreen are recommended for sun protection. All equipment and supplies for the hands-on teaching sessions will be provided.
